*Dear Mr Eck,
Dear Ms Hazekamp,*

Thank you for your letter of 13 January.

President Iohannis and I used our meeting to discuss the most pressing strategic economic and social issues for Romania and the European Union, and notably the ways and means available to stimulate the economy and create jobs, growth and investment.

The matter raised in your letter, not falling under the competence of the European Union, was not discussed at the meeting. Not every problem that may exist in Europe is a problem for or which can be solved by the European Union.

I have, nonetheless, passed your letter on to the office of President Iohannis asking him to transmit it to the appropriate authority in Romania dealing with the matter.

I am sharing this letter with Ms Gabriele Zimmer.

Yours sincerely,

*Mr Stefan Eck
Member of the European Parliament*

*Ms Anja Hazekamp
Member of the European Parliament*
