

Vote March 18

**PARTIJ
VOOR DE
DIEREN**

ROTTERDAM

NATURALLY

On March 18, vote for Rotterdam's greenest party. Partij voor de Dieren (Party for the Animals) puts well-being ahead of profit and steers politics in an ecological direction. With every vote, Rotterdam becomes greener, fairer, and more inclusive for all inhabitants. Change starts at home. So, vote for Partij voor de Dieren. Naturally.

Pinar Coşkun
Local party leader

1 LESS ANIMAL CRUELTY, MORE ANIMAL RIGHTS.

- Veterinary care for pets becomes affordable
- Blijddorp Zoo becomes an educational public park about animals, nature, and climate
- We create safe places for city animals, such as hedgehogs, insects, and birds

2 LESS POLLUTION, MORE NATURE.

- We protect nature and trees in the city: we don't cut trees down, we keep them standing strong
- Plant-based and organic food becomes affordable and widely available
- More safe and car-free spaces for pedestrians and cyclists, with affordable public transport

3 LESS EXCLUSION, MORE COMMUNITY.

- Rotterdam The Hague Airport becomes an area for affordable housing and nature
- No one sleeps on the street: food, care, and shelter will always be available
- Rotterdam does not collaborate with organisations and governments that violate human rights

International residents of Rotterdam can also vote in the Municipal Council elections, if:

- They are from an EU-country and registered as living in Rotterdam.
- They are from a non-EU country, registered as living in the Netherlands for 5 consecutive years, and now registered as living in Rotterdam.
